FROM 1992

HISTORY

In 1991 there were 2 padel brands. One was Royal Padel.

Royal Padel is a Spanish brand founded in 1991, a pioneer in the sport of padel, a world leader in the padel market in prevention of elbow and shoulder injuries, home to great players in the history of this sport.

We have our own factory in Argentina where we manufacture 80% of our blades manually (we attach the link)

Given our history, experience and knowledge, with a lot of effort and dedication 5 years ago we created the Royal Padel Academy based in Barcelona, offering added value to users by developing a series of programs and activities that we detail in this dossier.

Our programs and activities are focused on:
